General Information

NWAPA Mission Statement
The Northwest Association for Performing Arts exists to promote, enrich and foster growth in music education of students through the activities of marching band, winter guard, winter percussion, and associated music and dance opportunities.

NWAPA 2019/2020 Officers

President – Brant Stai  president@nwapa.net
Director of Bands, Sherwood High School

Fall Vice President – Tippy Jackson  vp_fall@nwapa.net
Instructor, Tigard High School

Winter Guard Vice President – Jeffrey Capponi  vp_guard@nwapa.net
Instructor, Tigard High School

Winter Percussion Vice President – Jeff Bush  vp_perc@nwapa.net
Instructor, Mountainside High School

Winter Winds Vice President – Max Logan  vp_winds@nwapa.net
Instructor, Sherwood High School

Secretary – Blake Kuroiwa  secretary@nwapa.net
Instructor, Mountainside High School

Treasurer – Laura Beeler  treasurer@nwapa.net
Liberty High School

Past President – Kevin Soon  soonk@hsd.k12.or.us
Director of Bands, Liberty High School

NWAPA Mailing Address

**Judges Liaison** – Christine Clayton judge_liaison@nwapa.net
Judges travel coordination, Judges logistics, Communication

**Webmaster** – Tom Mosher web@nwapa.net
NWAPA Website

**NWAPA Website**
http://nwapa.net
**Winter Events**
The NWAPA sanctions 3 types of winter events:

**Premier Show:** This event is specific to Winter Guard or Winter Percussion. Premier shows have one "clinic round" and one "contest round." Percussion Premier and Guard Premier are hosted at separate venues by potentially different Show Sponsors.

**Regular Season Show:** This event is hosted by one Show Sponsor and may include Guard, Percussion and/or Winds rounds. Regular seasons show may be prelims-finals format or may be one round only. Critique may or may not be included.

**Championship Show:** This event is specific to Winter Guard or Winter Percussion. Championship shows have two contest rounds. Percussion Championships and Guard Championships are hosted at separate venues by potentially different Show Sponsors.

**Winter Show Sponsor Fee**
The 2020 Winter Show Sponsor Fee is $2,500.00 for any type of show. $1250 is due at the December General Membership Meeting and the remaining $1250 is due the day of the Event. The Winter Show Sponsor Fee is nonrefundable.

**Event Entry Fees**
The Event Entry Fee is $275 per unit, per event. All of this goes to the NWAPA. Once paid, Event Entry Fees are non-refundable.

The NWAPA will not assess a fee to units sponsored by the Show Host for performing at their own event.

**Meeting Requirements**
Winter Show Sponsors are required to attend the December General Membership Meeting (times, dates and location posted at NWAPA.net). Judges, schedules, policy, and other pertinent information will be discussed at this meeting. In addition to their attendance at this meeting, Show Sponsors are required to provide a "main contact" who can speak to coordination and logistics for their show. This main contact’s attendance at the December meeting is strongly encouraged. Additional planning meetings and correspondence will be required. Show Sponsors will be notified of these by NWAPA staff.

Show Sponsors are also encouraged to attend the May “Winter Wrap Up” Meeting to report on their show experience, both positive and negative, and assist in planning for future seasons.
Pre-Event Information

Winter Handbooks
Show Sponsors should obtain Winter Member Handbooks from NWAPA.net and become familiar with additional rules, policies, and procedure.

Show Sponsor Web Account
Each Show Sponsor will receive a web link that will allow them to access the following:

- Units signed up for their Event.
- Number of members in each unit.
- Show Spiel information for each unit.
- Email address and other contact information for each unit.

Please direct any inquiries regarding the show sponsor web link to the Contest Coordinator.
Unit Entries & Event Schedule

NWAPA competing units are required to register for Events at NWAPA.net. Show Sponsors are encouraged to advertise their event as much as possible and should direct all interested participants to the NWAPA website for updated details. The NWAPA Contest Coordinator will work with Show Sponsors to create a show schedule that conforms to NWAPA policy and best suits the particular Event needs. All sanctioned Events will begin no earlier than 9:00 AM and the last competing unit will be scheduled to conclude their performance no later than 10:00 PM.

The schedule for a given Event shall be posted on NWAPA Website no later than two calendar weeks before the event. Performance schedules are locked one week (7 days) prior to the event. Show Sponsors, and the Contest Coordinator should have regular communication regarding the schedule during the three weeks prior to the event.

The Show Sponsor may elect to invite non competing units to perform in exhibition during the event, such as National Anthem performance, special needs groups, solo & ensemble groups, etc. The Show Sponsor and NWAPA VPs and staff will work together to place non-competing units in the schedule at times that work best for all. As such, the Contest Coordinator should be made aware of non-competing units as soon as the Show Sponsor knows they will be participating.

Unit Directors Pre-Event Information

Two weeks prior to the event, the Show Sponsor shall send an email with the following information to the Contest Coordinator for distribution:

- Show location and basic traveling directions.
- Name, email address, and phone number of the Show Sponsor "main contact."
- Parking and Warm Up Information.
- Event Flow Diagram and Area Map.
- List of any additional awards that will be given out and how winners are determined.
- Concessions information.
- Ticket prices. (Recommended - $10)

Unit Directors will be able to access this information at the Event Page on nwapa.net as well as their individual Unit Event page on Contest Dynamics.
NWAPA Staff
Depending on the size and nature of the event, all or some of the following NWAPA staff will be at the event carrying out the duties outlined below.

Contest Coordinator
The Contest Coordinator facilitates the event, keeps the schedule and communicates with judges, volunteers and other staff to keep events running smoothly. The Contest Coordinator must approve changes in posted schedule or procedure. While the Contest Coordinator often doubles as the T&P judge, in the event the roles are separate individuals, the Contest Coordinator should receive the same accommodations at the show site as a judge with respect to runners, meals and workspace.

Tabulator
The Tabulator works at the direction of the Contest Coordinator. The Tabulator collects scores from judges and tallies contest results. The Tabulator will provide a computer, printer, paper, and all materials necessary to generate contest results and recaps. Access to a copy machine is not required but is often helpful in distributing contest results in a timely manner.

The Tabulator should receive the same accommodations at the show site as a judge with respect to runners, meals and workspace.

Audio Engineer
The Audio Engineer works at the direction of the Contest Coordinator. The Audio Engineer maintains NWAPA audio equipment during the event and is responsible for playing unit performance audio. A volunteer should be on hand 90 minutes before the start of any color guard contest to assist with audio set up and sound checks.

The Audio Engineer should receive the same accommodations at the show site as a judge with respect to runners, meals and workspace.

Staff Workspace
The Tabulator, Contest Coordinator and Audio Engineer workspaces will be on the contest floor just outside of the performance area. Electrical outlets must be available in this workspace. Please contact the Contest Coordinator to plan the specific locations of these areas as they will vary based on show site.
Judges
The NWAPA Judges Coordinator will select and train caption judges for all NWAPA events as well as
assign a Chief Judge for each contest. The Judges Liaison will coordinate all judges’ logistics with the
Show Sponsor. The Chief Judge, NWAPA Contest Coordinator and Tabulator will assist on the day of the
event with judging related topics.

Judges Costs
The NWAPA pays all costs associated with judges fees and travel.

Caption Judges
There are between five and seven caption judges for each contest based on whether the contest is
percussion/winds only, guard only or a combined event.

Chief Judge
Each contest may have a Chief Judge designated by the Judges Coordinator or NWAPA Contest
Coordinator. The Chief Judge is responsible for facilitating judges meetings, communicating specific
needs the judging panel may have during the contest, and resolving contest specific issues in
coordination with NWAPA staff.

Timing and Penalties Judge
The circuit will pay the T&P judge their judge’s stipend and any appropriate travel stipend or mileage.
Judges Liaison
The NWAPA has appointed a Judges Liaison to coordinate all judges’ logistics with the Show Sponsor and be a single point of contact for communication between the Show Sponsors and the judges. The Judges Liaison will work closely with the Show Sponsor’s designated point of contact to guarantee efficient judges communication.

Judges Travel
For the 2020 season the NWAPA will be paying for the transportation and lodging for out of region judges. Show Sponsors will still be responsible for ground transportation as outlined below. As the single point of contact with the judges, the Judges Liaison will work with the Show Sponsor to coordinate travel, obtain transportation details and communicate arrangements to the judging panel.

Air Transportation
For the 2020 season, the NWAPA will be coordinating and paying for all costs associated with air transportation for out of region judges. The Judges Liaison will communicate the flight schedules to the show host so ground transportation can be arranged as noted below.

Lodging
For the 2020 season, the NWAPA will be coordinating and paying for all costs associated with lodging for out of region judges. The Judges Liaison will communicate the lodging information to the show host so ground transportation can be arranged as noted below.

Ground Transportation
Show Sponsors are required to transport out of region judges from the airport to their lodging, from lodging to the show, from the show back to their lodging (or the airport in some cases) and from lodging back to the airport on Sunday morning. Acceptable methods of transportation include:

- Hotel shuttle
- Pre-arranged car service
- Reimbursed taxi (if the judge is aware ahead of time and prepared)
  - This option should be used as a last resort. The judge will need to be reimbursed by the Show Sponsor the day of the show.
- Designee of the Show Sponsor
- Judges ride sharing with local judges

The Judges Liaison will work with the Show Sponsor to obtain details regarding ground transportation arrangements and pass them on to the judges.
Day of Event

Show Sponsor Staff
As detailed throughout this document, the Show Sponsor will need to provide volunteer staff to oversee several aspects of the event. These positions include but may not be limited to:

- Announcer
- Judge runners
- Staff runners
- Audio Assistant
- Hospitality
- Parking
- Concessions
- Door monitors
- Equipment storage
- Indoor warm up
- Unit check in
- First Aid

Parking
Plan for ample parking at the competition site. There should typically be no additional charge for parking. However, if the venue requires that spectators pay to park, this information must be clearly communicated in the Pre-Event packet as well as advertised on NWAPA.net. Note, the show sponsor may not elect to charge for parking if free parking is available.

Locations for parking should be shown on a map and included in the Unit Directors Pre-Event Information and Unit Arrival Packet. There should be areas clearly marked for bus parking, and equipment trucks. It is advisable to map out equipment parking for each unit. Buses and equipment truck parking should be accessible from equipment storage and performance areas via ramps if possible. Separate parking flow for spectators is advisable. 5 to 8 parking spots near the performance venue must be reserved for NWAPA Judges and Staff. Show Sponsors shall provide parking staff to ensure that unit and spectator parking is conducted orderly and safely.
**Unit Arrival Packet / Unit Check-in**

Each competing unit should have a packet prepared for them and ready at the check in desk when they arrive. A log of all units that have checked in and received packets shall be maintained at the check in desk. The check in desk shall be monitored appropriately by staff supplied by the Show Sponsor. Unit performers should receive wristbands or stamps at check-in that designate them as performers. Be prepared for units to arrive at least two hours before their scheduled performance time.

The Unit Arrival Packet should contain:

- Performer wrist-bands (unless each performer is individually stamped as they arrive)
  - Unit member count can be found via the Show Sponsor Contest Dynamics Web Link
- Name, email address, and phone number of the Show Sponsor "main contact."
- Up to date performance schedule.
- Event Flow Diagram and Area Map.
- List of any additional awards that will be given out and how winners are determined.
- Concessions information.
- Picture information.
- Seven (7) Show Passes.
- Procedure for obtaining ten (10) additional show passes at half the standard General Admission price for extra staff or volunteers supporting their unit.
- Ticket prices. (Recommended - $10)

**Event Flow Diagram / Area Map**

Show Sponsors must prepare an Event Flow Diagram and Area Map. Event Flow Diagram must indicate the following: Performer entrance, performer exit, unit staging area (next to performer entrance), equipment storage area, indoor warm up areas, spectator entrance/exit, sound/announcer location, and T&P desk location. Event flow diagram must indicate whether the performance space will utilize a vertical or horizontal timing line. Vertical timing line is used when performer entrance and exit are on opposite sides of the performance space respective to the audience. Horizontal timing line is used when performer entrance and exit is on the same side respective to the audience. Please consult Contest Coordinator for specific questions about the Event Flow Diagram.

The Area Map should be a the map of the entire facility and indicate outside warm up areas, parking areas, off limit areas, event check in desk, first aid, competition space, and other relevant locations.
Judges Set-Up

Facility Needs

The area the judges are working in needs to be conducive to watching, listening to and evaluating performances. There are three upstairs judges who must have a reserved space in the center at the top of the stands. There are a maximum of two downstairs judges who must have reserved space in the center approx. 4 rows from the bottom of the stands. There must be at least one empty row behind the downstairs judges and at least two empty rows in front of both the upstairs and downstairs judges. Only Show Sponsor officials, NWAPA officers/staff and runners are allowed in the work area. The Chief Judge and Contest Coordinator will assist to ensure that space is properly designated and taped off.

Power must be available to both of the downstairs judges as well as all of the upstairs judges. This may require the use of extension cords. The NWAPA will provide power strips.

Hospitality

Show Sponsors should make a judges room available where judges and NWAPA staff can conduct pre and post contest meetings in private. Refreshments should be available to judges and NWAPA staff throughout the day including coffee, soda, muffins, fruit, and other snacks. For every 8 hours that the judges and NWAPA staff are required to be on site, the Show Sponsor should provide a full meal. Coordination of meals should be based on event schedule to ensure judges have time to eat. The Show Sponsor should provide adult volunteers to monitor the judges’ room and attend to judges' needs when necessary. The number of individuals eating can vary between 9 and 12 depending on the size of the show, the presence of a non-working chief judge and the number of NWAPA staff (including audio visual staff) needed to run the show. The Judges’ Liaison will have exact numbers for the show sponsor.

If an instructors’ hospitality room is provided, it must be separate from the judges’ hospitality room.

Critique Room

Regular season shows shall provide a space for unit staff to meet with judges. This room should have tables and chairs to seat ten people and should preferably be a different location from the judges’ room.

Judge Runners

Runners should be available for both the upstairs and downstairs judges to run materials, food, etc. to judges during the event. Runners should be age appropriate for the task and can be rotated throughout the day. NWAPA staff will assist in training judge runners.
Judges Packet
Each judge should be provided with a packet upon arrival to the event. Judges Packets should contain the following:

- Concessions menu
- Sharpened pencils
- Show program
- Scratch paper for notes

Scoring System
The NWAPA Contest Coordinator and Tabulator will provide the judges with scoring criteria, tote sheets, recorders and other judging related materials.

Event Staff Set-Up
A minimum of three tables are needed to accommodate the sound engineer, the announcer and the tabulator. Two of these tables are typically placed in a back corner of the event area with the third table placed near the Unit Entrance, but some venues may require alternate placement. All tables must have ready access to power. The Contest Coordinator will assist you with placement and set up of these tables.

Passes
Show Passes
Show Passes are distributed by individual Show Sponsors and are good for entry to only that event. Show Sponsors shall allot seven (7) Show Passes to units attending their shows. The passes can be actual paper passes as well as wristbands or hand stamps. The distribution of these passes to staff members, volunteers, etc. shall be at the discretion of the Unit Director. Show passes should be included in the Unit Arrival Packet or, in the case of hand stamps, provided on unit arrival. Show Sponsors are required to allot ten (10) additional show passes to each participating unit at half price for extra staff or volunteers supporting their unit.

Occasionally NWAPA staff and judges will request that family/guests attend shows. Show Sponsors should honor such requests.

Circuit Passes
Circuit Passes are good for the entire season and allow entry to all NWAPA sanctioned events. NWAPA staff including the Contest Coordinator, Sound Engineer, Tabulator, Judges Liaison and Judges Coordinator all possess a Circuit Pass. Members of the NWAPA Board (President, Past President, Fall Vice President, Winter Vice Presidents, Treasurer and Secretary) each possess a Circuit Passes.
Promotion/Outreach

In the spirit of connecting with the community and continuing to grow the circuit’s membership, the NWAPA reserves the right to invite vendors, non-participating units or other interested parties to shows at a reduced rate or, in some instances, free of charge. In the case of vendors, this may include waiving or reducing any applicable vendor fees and/or asking that additional materials be distributed during the show or included in the Unit Arrival Packet. Arrangements will be communicated and negotiated with the Show Sponsor in advance of the event.

Recommended Ticket Prices

Regular Season Show: $10

There is no charge for those 2 years of age and under if sitting in a parent’s lap. Any children needing their own seat will need to pay entry for a wristband.

Warm up Areas

Indoor warm up areas shall be provided for all Color Guard contests. Warm up areas should have high ceilings and be free from obstacles and hazards. The Color Guard contest schedule will indicate when a unit is allowed access to a particular warm up area prior to their performance. Indoor warm up areas should be monitored and clearly labeled with usage schedules posted nearby. The Contest Coordinator must be contacted to discuss the indoor warm up area policy, procedure and scheduling including acceptable and available venue space.

Outdoor warm up areas shall be provided for all Percussion contests. When possible, areas should be lit and have ramp access for rolling instruments. Outdoor warm up areas should be flat, turf or asphalt, and free of obstacles. It is not necessary to designate specific warm up times for percussion contest schedules unless there is limited warm-up areas preventing each group from having their own space for the entire day. The Contest Coordinator must be contacted to discuss the warm up area policy, procedure and scheduling including acceptable and available venue space if an issue arises.

All warm up areas should be marked on the Event Flow Diagram and Area Map and included in the Unit Directors Pre-Event Information and Unit Arrival Packet.

Equipment Storage

Equipment storage should be in an area with ramped access to both the unit parking areas and competition area. Equipment can include floors, backdrops, instruments, props, etc. Equipment storage should be monitored appropriately.
**Competition Area /Circuit floor**
The competition area is a gymnasium floor measuring a minimum of sixty feet by ninety feet (60’ x 90’) and does not include entry ramps, hallways, bleachers or seating areas. An insulated and grounded 110v AC power cord shall be supplied near the middle of the competition area. Additionally, a power supply should be accessible to the rear of the performance floor.

The NWAPA circuit floor should be positioned approximately ten (10) feet away from the beginning row of spectator seating and centered on half court (or the middle of the gym). The floor should be taped in place around the perimeter with wide painters tape. The NWAPA Contest Coordinator will place all additional markings needed for the event. **DO NOT tape timing lines.**

It is advisable to provide additional floor covering beyond the 60’ x 90’ circuit floor to protect the entrance and exit areas of the gymnasium where equipment carts, percussion instruments etc. are maneuvered.

The Show Sponsor should situate door monitors for unit entrance, unit exit, and spectator entrance/exit during the event. The NWAPA Contest Coordinator will assist in training door monitors.

**Announcer**
The Show Sponsor shall provide an Announcer. The NWAPA Contest Coordinator will provide the Announcer with necessary event specific scripts including the awards ceremony script. Scripts for general announcements, spiel sheets, shout outs, etc., shall be provided by the Show Sponsor. Spiel Sheet info can be found via the Announcers module on Contest Dynamics.

**Sound System**
The NWAPA sound system is available to use for venues that do not have a high quality sound system. The NWAPA Audio Engineer and Contest Coordinator will set up the system on the day of the show unless otherwise arranged. However, all of the sound system pieces as well as an assistant should be available during the set-up time, approx. 90 minutes prior to the start of the event to ensure ample time for troubleshooting and sound check.

Note the NWAPA sound system may not be available for Percussion/Winds Only contests. Show Sponsors hosting a Percussion Only event should plan for a back-up announcing system as well as contact the NWAPA Contest Coordinator regarding circuit sound system availability.
First Aid
The Show Sponsor must provide a First Aid station that is manned by an adult qualified to respond to minor first aid issues such as cuts, scrapes, sprains etc. This individual is also responsible for making the determination to call emergency personnel should the situation call for it.

Concessions/Souvenirs
All items offered for sale at the show are to be determined or approved by the Show Sponsor (see Promotion/Outreach for exceptions). A list of food offered for sale should be included in the Unit Directors Pre-Event Information, Unit Arrival Packet, and Judges Packet.

Video Recording
Units will be allowed to video tape their own performances for educational use. A special area should not be set aside for this as much of the area at the top of the stands is reserved for judges/staff. Anyone video recording a particular unit must receive permission from the unit’s director. Some units may request their performance not be videotaped. Those units are required to coordinate that announcement with the event announcer. The sponsor is not responsible for policing this other than making the requested announcement.

Personal Photography
Photography for personal use is allowed, however due to safety reasons the NWAPA strictly forbids flash photography during unit performances. Show Sponsors should be prepared to assist with the enforcement of this policy.

Professional Photography
Although a picture area is not required of NWAPA Show Sponsors, it is welcomed. If the Show Sponsor provides an opportunity for the units to have their picture professionally taken, the schedule should allow for movement to and from the picture area. Units are not required to have pictures taken. Information about pictures should be included in the Unit Directors Pre-Event Information and Unit Arrival Packet.
**Awards**
It is customary for the Show Sponsor to provide trophies, ribbons, plaques or other permanent/professional tokens of achievement to the top 3 scoring units in each competitive class for finals competition. (For one round events the single awards ceremony is treated as a ‘finals’ awards ceremony) Tokens of achievement may be provided for placements beyond the top three but must be provided for the top three scoring units. Note, the number of placement awards needed will be dependent on how many units are performing in each class (i.e. one class has only two competing units, only first and second place awards will be needed). Additional awards, such as "People's Choice" are optional. The Show Sponsor is responsible for setting criteria and tabulating results for optional awards. Please consult the NWAPA Contest Coordinator with questions concerning how many awards are needed for your event.

**Finals Retreat**
With the exception of Championships, awards ceremonies after finals rounds of competition will be "Captains Only" where only captains represent the competing unit during retreat. Championships awards ceremonies will feature full unit retreat. NWAPA VPs will coordinate with the championships show sponsors regarding organizing and preparing for championships finals retreat. The Championships show sponsors must have an individual designated to work with the VPs on the finals retreat ceremony.

**Event Handoff**
Arranging for the pass off of the circuit floor and sound system (if appropriate) is a Show Sponsor responsibility. The current week's Show Sponsor(s) are responsible with making arrangements for the transfer of equipment with the next Show Sponsor who will have need of it. A schedule of who should deliver which equipment to whom and by when, along with Sponsor contact information, will be provided by the NWAPA staff. Again, contact and delivery/pick-up arrangements are the Show Sponsor's responsibility.
Inclement Weather / Emergency Situations
It is understood that inclement weather and other emergent situations may affect a scheduled or in-process event. When there is a judgment call to be made regarding whether a show should continue or assume an alternate format, that decision will be made by joint agreement of the Contest Coordinator, Chief Judge and Show Sponsor. Following are potential scenarios and solutions for these events.

Scenario #1
Circumstances force the event to be cancelled after it has already begun.

Outcome
Judges are paid the base amount or the base plus the number of bands already adjudicated over 20 whichever is greater. No awards are issued. Participating units will not be refunded the entry fee however any unit that was unable to perform at all will be allowed to attend any show for free the following year.

Scenario #2
Circumstances force the event to cancel with enough advance notice that no participants (units, spectators, judges) are en route to the show/area.

Outcome
Judges are not paid for the show. The Judges Coordinator and Judges Liaison will do their best to utilize members of the panel at another show sponsored by the Sponsor within the following 12 months (winter or fall) to mitigate loss of travel funds. Participating units will receive a credit towards any event the subsequent winter season.

Scenario #3
Circumstances force the event to cancel after participants (units, spectators, and judges) are already en route to the show/area.

Outcome
 Judges are paid the minimum for the show. Participating units will receive a credit towards any event the subsequent winter season.
Financial Obligations and Reconciliation

In 2020, the financial breakdown is as follows:

- Each show host will pay a $2500 flat fee to host an event. $1250 is payable at the December Show Sponsor meeting. The remaining $1250 will be invoiced and payable the day of the event.
- All judges’ and NWAPA staff stipend and travel expenses will be paid by the NWAPA. The show sponsor will not be invoiced for these costs.
- The Unit Entry Fees are collected and retained by the NWAPA. Unit Entry Fees are not payable to the Show Sponsor.
