Spectators will enter at Gate A – East Entrance. Disabled spectators may enter at Gate B and park in the Volunteer & VIP lot to ease accessibility.

Band buses, trucks and support vehicles will enter at Gate B – West Entrance. Bands will go to check in area at Gate B first and then go to the staging area. Parking is assigned based on band size, band vehicles, and estimated arrival time. For pedestrian safety, only vehicles needed for band support may park in band staging areas or in the designated band volunteer parking.

If any band students are arriving by car, enter at Gate A to limit traffic in the band parking area. Do not block drive aisles in the band camp areas. There must be 20' clearance at all times for emergency access. This is a safety code requirement that will be enforced!

If possible, we advise you to ground your metal tent poles. The overhead power lines cause static electricity. In case of wind, please secure your tents to the ground with heavy weights such as sand bags or cinder blocks.

Due to the attendance of many bands and the need for spectator parking we ask that buses and equipment trucks that don't fit in your designated areas be moved to Liberty High School across the highway from the stadium for parking during

the day. A map is included on how to get there and back. RV parking at Hillsboro Stadium is prohibited.

TICKETS Ticket prices: Adult \$15, Veterans/Seniors/Students \$12, Children 5/under Free. Programs – price: \$3. Be aware that credit card lines can get long...encourage your spectators to bring cash or checks (payable to Liberty Band Boosters) for admission. The concessions stands DO accept credit cards.

No admittance to the spectator area will be allowed without a wristband. **This includes volunteers pushing on pit equipment and props.**

All performing members will receive a wristband. NWAPA member bands have two season passes for directors. At check-in, bands will receive show wristbands for staff (1 pass per 8 members, minimum of 10).

If needed, each band may purchase up to 10 additional staff/volunteer wristband passes at the discounted rate of \$7.50 each. They will be available at the west ticket booth (near pit entry). Bring the discount ticket voucher coupon from the band packet. Cash, credit cards, or checks (payable to Liberty Band Boosters) accepted.

FACILITIES The stadium does not have changing areas available. Please use your buses or tents. Sorry for this inconvenience. No outside food or beverages are permitted inside the ticket gates of Hillsboro stadium. Outside food is permitted in the band staging areas.

Please ask your band members to observe signs and volunteer instructions regarding student seating. Only ticketed spectators may sit in the blue stadium seats. Students may sit in the lower bleachers, or upper far right and left bleachers. If sideline bleacher seating reaches capacity, band members should use end zone bleachers.

WARM-UP Warm-up areas at Hillsboro stadium are limited due to problems with sound traveling into the stadium. Warm up areas are shown on the map. It is important to only warm up in these areas and to face away from the stadium to avoid sound traveling into the stadium. Metronomes and time marking devices must be used in accordance with the NWAPA rules. **Please do not go off stadium property for warm ups and do not warm up in the parking areas.**

PERFORMANCE Please note that band and pit entries are separate at Hillsboro Stadium. Please have your unit assembled at the band and pit entry points at your gate time. Volunteers will be on hand to direct your ensemble.

Timing and Penalties rules will be enforced.
