Equipment Trucks/Props: Props can be dropped off at the prop area – Enter the parking lot off of NW Cornell at the Stadium then proceed East towards the school. It's recommended that everyone, and especially larger trucks, approach the lot from the West (with the Cornell Exit off of Hwy 26 behind you) instead of turning onto Cornell from Murray. Bands with large trucks **may** be able to park in the prop area but can absolutely park in the back lot at Home Depot located across NW Science Park Dr.
