

Welcome to RhythmFest 2024!

The Tigard High Band and Orchestra Boosters are happy to host this year's NWAPA Color Guard Premier Clinic and Competition on the campus of Tigard High School! Our building includes full indoor warmup facilities and prop storage, along with designated hallway areas for students to stash their belongings. We have an area for eating and relaxing, and a continual closed-circuit video feed so you can keep an eye on the action in the gym. We also plan on a number of vendors for your shopping pleasure. - **UNIT HOMES:**
 - Many units will bring snacks and lunch-type food. When planning, please understand that we must limit each Unit to no more than one Crockpot, to avoid overloading the electrical circuits in the hallways. If curling irons etc. are used, they **MUST** be unplugged immediately after use.
 - Each unit will be provided with a garbage bag upon arrival. We ask that you help out our hard-working maintenance staff by placing all trash into the bag and leaving it in your Unit Home area for our cleanup crew to retrieve at the end of your time with us.

- **PERMITTED AREAS:**
 - When away from the Commons and Gym, please limit activities to the Rotunda levels and Science/World Language hallways in the Main Building of Tigard High School, respecting the DO NOT ENTER signs in the hallways.
 - When traveling between Unit Homes and the rest of the school please **DO NOT** cut through the designated body warmup along Main Street. Please follow the posted signage for the traveling paths.

- **EMERGENCY CONTACTS/FIRST AID:** For First Aid and other emergencies, come to the Communication Center at the Main Entrance to Tigard High. For immediate assistance, call Kati McKee – 503-522-6870.

- **WARMUP:** Please restrict warmup to the appropriate areas.
 - **Body Warmup** – in hallways near your designated school areas, or on Main Street near Three Corners. **THERE IS NO EQUIPMENT WARMUP IN THE HALLWAYS.**
 - **Equipment Warmup** – THS Commons

- **SOUND CHECKS:** Music may be uploaded per NWAPA. Directors may be able to play audio directly from a handheld device that is plugged into the sound system. If this is your choice, please bring your music to the sound table at the earliest possible time. Sound checks will take place 30 minutes prior to the beginning of the event and at breaks.

FLOOR FOLDING: There are several options:

- If you want to fold your floor right away after your clinic time (highly recommended), after exiting the Main Gym, follow the arrows to the elevator. A large cart will be available for your burrito-ed floor, to take it downstairs to the Auxiliary Gym (RF staff will be available to assist). You will do your folding in the Auxiliary Gym, and then load your folded floor on to your own cart. You'll take your floor back up the elevator and return it to the floor cart staging area.
IT IS ESSENTIAL THAT YOUR CART WHEELS MUST ROLL FREELY AND BE FREE OF DEBRIS!!
 - Those wanting to wait to fold their floor until the dinner break will have the option of folding in the Main Gym **[4:15 – 5:00 pm folding window]** If this is your choice, please return your floor directly to the floor cart staging area after your clinic.
 - Post-competition folding will be done in the same manner as post-clinic folding:
 - Fold in the Auxiliary Gym right after your competition time (highly recommended)
 - Later folding: Main Gym **[9:15 – 9:35 pm folding window]**
 - Beaverton STARS will fold in the Main Gym immediately following their show.
-
- **TOBACCO/SUBSTANCE-FREE CAMPUS:** The Tigard-Tualatin School Board has established the district and its facilities as being tobacco-and substance-free for all staff, students, visitors and community members, including smoking, vaping, and all other forms. This includes all buildings and outdoor areas.
 - **PLEASE, NO GLITTER:** For the sake of our hard-working maintenance staff, Tigard High is a glitter-free school.

See you
