Parking:

Performing groups, buses, and trailers will park across the main parking lot next to Coweeman Middle School.

discounted rate of \$7 per wristband. Checks, cash, or credit cards are accepted. Checks are payable to NYMA.

Prop and Floor Storage:

Prop and floor storage is along the south side of the gym near the performance entrance. Please be courteous and put props on the marked side of the hallway so that there is a pathway for other teams to move props and floors.

Floor Folding / Gym Flow:

The show entrance calls for a horizontal timeline. You will enter the gym from Side 1 front corner. From there, you will be directed to take your floor and equipment along the front sideline and pull your floor across till you reach half court. The timing and penalty adjudicator will tell you when to move across the timeline. At that point, you may continue to unfold your floor to the back sideline. After you perform, pull your floor to the back sideline and out the gym side doors on side 1. You will be directed to the Floor Folding Area which is located across the hall in the cafeteria. After you have folded your floor, you may return your floor and props to their original area.

Awards:

Trophies will be awarded to the 1st, 2nd, and 3rd place team in Finals for each classification.

Photography:

“Open Your Eyes” Photography will be onsite to offer group photos.

Locker Rooms:

Locker rooms will be available for groups who need to change into uniform as well as bathrooms down in performers “camp” area. Please use the locker rooms and NOT the spectator restrooms.

Outside Practice Space:

Groups are welcome to practice outside before your performance. Please stay off the parking lot areas.

Indoor Group Space:

Each group will be designated an area inside the school to house your equipment and supplies. Groups are welcome to warm up in these areas.
