Equipment Parking: If you are bringing buses or semi trailers please contact band director Julie Bounds to set up specific parking for your units. All other equipment trucks, vans, smaller trailers should park in unit parking at the back of the school. We will have signs and parking lot attendants to assist.

It is important that you have added your unit information regarding the type and total length of your equipment vehicles in your contact dynamics unit link under “updated unit information-unit logistics notes” so that we may plan for your individual needs. Please do not include additional parent/staff vehicles in this measurement as our equipment parking is limited.

Unit Check Ins-Unit check in is located outside of our gym. Units may enter from the unit parking area as well as the front of the school.

Bus Parking: Front of the school. Please talk to band director, Julie Bounds to coordinate this parking.

Spectator Parking: Spectator Parking is located in our Sheldon HS Main parking lot at the front of the school.

Admission:

Adults \$15

Event Staff: Sheldon HS students & adult volunteers will be in our “Sheldon Swag” around campus. If you need any support please just reach out to any of our volunteers.

Food! The Sheldon Music Boosters will be running a very light selection of snacks and beverages.

Prop Storage: Props may be stored in the *covered* hallways throughout the school. These areas will be marked near the unit parking area/back of the gym as well as near our gym (floor storage) and hallways around our outdoor courtyard.

Team Camps: Each school will be assigned an area for their team(s) in our hallways adjacent to our cafeteria/floor folding area. These areas are not secure and may be used at the participants discretion. Units may bring any snacks and lunch time food. Our concessions will NOT be serving meal options. We will be regularly emptying our trash and can provide your team with additional trash bags as necessary. *The school has a limited location of outlets so we highly recommend bringing power strips and extension cords for any hot items you may need (ie crockpots).*

Emergency Contact/First Aid: For First Aid and other emergencies come to the Unit Check In at Sheldon HS. For immediate assistance contact Julie Bounds 408-482-7735

Restrooms: Spectator restrooms are located in the hallways adjacent to the gym.

Changing Areas: There are large restrooms for team changing and team usage in the team camp areas.

Body Warm Up-You can use the hallways in the team camp areas AND we are providing *assigned* body warm up time in our two body warm up rooms. **These are in our dance room and wrestling room. NO EQUIPMENT OR SHOES PERMITTED.**

Equipment Warm Up: Sheldon upper gym. This area is only accessible via stair so floors and props will stay downstairs outside the performance gym.

Soundchecks: Music must be uploaded to your contest dynamics unit page. Directors may be able to play audio from a handheld device that is plugged into the sound system. If this is your choice you need to bring your music to the sound table at the earliest time possible. Sound checks will take place 30 minutes prior to the beginning of the event and at breaks.

Floor Folding: Floor folding will take place immediately following your team's performance in our cafeteria. It will need to be carried from the gym a short distance to our cafeteria. Please ask other teams (or Sheldon HS) if you need assistance. **It is essential that your cart wheels roll freely and are free of debris so as not to scratch our gym and cafeteria floors.**

Critique: We will be hosting a judges critique. Additional information will be available and the critique will be in our centrally located Library.

Tobacco/Substance Free Campus: The Eugene School District 4j/Sheldon HS has established the district and its facilities to be tobacco-and substance free for all staff, students, visitors, and community members. This includes all building and outdoor spaces.

PLEASE NO GLITTER: For the sake of our hardworking volunteers and maintenance staff, please do not use glitter :)
