Event Schedule

Spectators will enter at Gate A – East Entrance. Disabled spectators may enter at Gate B and park in the Volunteer & VIP lot to ease accessibility.

Band buses, trucks and support vehicles will enter at Gate B – West Entrance. Parking is assigned based on band size, band vehicles, and any additional information provided. For pedestrian safety, only vehicles needed for band support may park in band staging areas or in the designated band volunteer parking.

If any band students are arriving by car, please enter at Gate A to limit traffic in the band parking area. Do not block drive aisles in the band camp areas. There must be 20'

clearance at all times for emergency access. This is a safety code requirement that will be enforced!

If possible, we advise you to ground your metal tent poles. The overhead power lines cause static electricity. In case of wind, please secure your tents to the ground with heavy weights such as sand bags or cement blocks.

Hillsboro Fire Dept also reminds all bands that a working fire extinguisher is **required** if cooking with an open flame. Generators should be kept away from tents or other combustible materials and fuels.

Due to the attendance of many bands and the need for spectator parking we ask that buses and equipment trucks that don't fit in your designated areas be moved to Liberty High School across the highway from the stadium for parking during the day. A map is included on how to get there and back. RV parking at Hillsboro Stadium is prohibited. We have limited space for unit overflow at the stadium.

TICKETS

Ticket prices: Adult \$20, Veterans/Seniors/Students \$15, Children (12/under) Free, Group (up to 5) \$60. Program prices: \$3. Be aware that credit card lines can get long, encourage your spectators to bring cash or checks (payable to Liberty Band Boosters) for admission. The concession stands accept cash or credit cards.

No admittance to the spectator or performance area will be allowed without a wristband. **This includes volunteers pushing on pit equipment and props.**

All performing members will receive a wristband. NWAPA member bands have two season passes for directors. At check-in, units will receive wristbands for staff (1 pass per 8 members, minimum of 10).

If needed, each band may purchase up to 10 additional staff/volunteer wristband passes at the discounted rate of \$10.00 each. They will be available at the west ticket booth (near unit/pit entry/exit). Bring the discount ticket voucher coupon from the band packet. Cash, credit cards, or checks (payable to Liberty Band Boosters) accepted.

FACILITIES

Water is only available at the West entrance to the stadium so plan for moving water if you need to fill containers. See location on map provided.

The stadium does not have changing areas available. Please use your buses or tents. Sorry for this inconvenience. No outside food or beverages are permitted inside the ticket gates of Hillsboro stadium. Outside food is permitted in the band staging areas.

Please ask your band members to observe signs and volunteer instructions regarding student seating. Only ticketed spectators may sit in the blue stadium seats. Students may sit in the lower bleachers, or upper far right and left bleachers. If sideline bleacher seating reaches capacity, band members should use end zone bleachers.

WARM-UP

Warm-up areas at Hillsboro stadium are limited due to problems with sound traveling into the stadium. Warm up areas are shown on the map. It is important to only warm up in these areas and to face away from the stadium to avoid sound traveling into the stadium. Metronomes and time marking devices must be used in accordance with the NWAPA rules. **Please do not go off stadium property for warmups and do not warmup in the parking areas.**

The field, and parking area surrounding the football field is **NOT** a warmup area. You may be asked to move if in an area not designated as a warmup area. Please review the included maps.

PERFORMANCE

Entry and Exit point will be the same on the main west entrance area. Have your unit assembled at the band entry point at your gate time. Volunteers will be on hand to direct your ensemble.

The field has an artificial surface. No food is allowed on the playing field, including gum, seeds, and drinks. ATVs are allowed in the pit area only and must make as wide a turn as possible to avoid tire damage to the surface.

Timing and Penalties rules will be enforced.

PROP STORAGE

Prop storage will be available just to the west of the stadium, near the entry points. See stadium map for location. Large props can enter through pit entry.

AWARDS – RETREAT

Senior Awards Retreat will happen after Prelims. All Drum Majors and Captains should report to the band entrance immediately after the last Prelims Performance. Trophy presentations will follow finals performances.
